PRAY for ARTS & ENTERTAINMENT

The Arts & Entertainment sphere shapes the imagination of nations. This is the place that Creativity, Beauty & Cultural Influence are shared through music, film, theater, literature, dance, and visual art, it forms the stories people believe about identity, purpose, and truth. This sphere can elevate beauty or normalize darkness; it can heal or harm; it can awaken hope or deepen despair.

Arts & Entertainment Prayer Space at the Garden

God is raising up artists who carry His presence—creatives who reveal beauty, redemption, and truth through their craft. Their work becomes a prophetic voice that shifts atmospheres and awakens hearts to the reality of His Kingdom.

This is a mountain of **expression**, a mountain of **imagination**, and it must once again reflect the beauty and glory of the Creator.
