

PRAY for HEALTHCARE

HEALTH shapes the strength and well-being of communities.

It influences how people live, how they flourish, and even how they experience God. The desire is for Health to be filled with His healing presence—where care is not only practiced through skill but empowered by His Spirit. This is where mercy, integrity, and true compassion must be reclaimed.

We are called to pray for doctors, nurses, caregivers, researchers, and leaders to encounter the fear of the Lord, which is the beginning of wisdom. God is raising up healers, reformers, and intercessors who will reestablish righteousness, justice, and hope in hospitals, clinics, and health institutions.

Lord, guard the elderly, the unborn, the disabled, and those without access to care. Protect them from harm and surround them with Your covering.

Lord, release you Spirit in hospitals, clinics, and care centers. Let these places become environments of peace, healing, and divine encounter.

6. For the Spirit of Wisdom and Revelation

"I keep asking that the God of our Lord Jesus Christ... may give you the Spirit of wisdom and revelation so that you may know Him better." Ephesians 1:17 (NLT)

Lord, fill every healthcare worker and leader with divine insight, clarity, and understanding. Guide their decisions with Your wisdom.

7. For greater understanding of health of the whole person – body, mind, and spirit.

I pray that you may prosper in all things and be in health, just as your soul prospers. 3 John 1:2

Lord, let every person grow in understanding how wonderfully complex we are and that the state of our bodies, minds and spirits are connected. Reveal things that need to be healed in each area that there can be complete wholeness and healing in all areas.
